

# how to find us

## Letting Policy

As the UK academy of science the facilities at the Royal Society are only available for those meetings and events promoting science, engineering and technology.

## Transport and Car Parking

Several underground stations and Charing Cross railway station are within easy walking distance. If travelling by car there are many metered bays and car parks within a short walk.

## No Smoking

Please note that the Royal Society operates a strict no smoking policy throughout the building.
